Members' Bulletin No. 7 December 2008

Dear Members

A big thank you to everyone who came to/helped with/supported The Christmas Lights Party on 5<sup>th</sup> December following the Christingle Service! Wim's beer, Rob's mulled wine, the mince pies and cakes were enjoyed by all; Roger's piano playing and the encouragement of the carol singers had us all entering into the Christmas Spirit!

More events for Christmas:

- Children's Christmas Service at St John's on Christmas Eve at 4.00pm
- St George's Square, Hebden Bridge at 6.00pm - carols around the tree with Hebden Bridge Brass Band - a really good community-spirited event.

There has been much activity in community association over the last two months: in addition to 2 full committee meetings various sub-group have been moving forward with their projects:

"Cragg Vale Remembered" - the 2009 Calendar - featuring photos from the Cragg Vale Local History Group archive - is now on sale (£6, 2 for £10) at the Church, the Hinchliffe, the Robin Hood, the Ark, Calvag, Dougie Mansfield's shop in Mytholmroyd, The Little Valley Brewery, or by phoning 885068, 883707, 884509. or email [cvca@jsd.me.uk](mailto:cvca@jsd.me.uk) Many thanks to all the local businesses who have offered sponsorship.

CVCA Website (Cragg Vale Community.co.uk) is in the process of updating and development over the next few weeks - please bear with us whilst this takes place.

The History Group - has enjoyed an evening of "Reminiscences" in November, and in December 25 members were welcomed to a tour (by candlelight) of one of Huddersfield's secret treasures - Longley Old Hall.

Environmental improvements:

- **Green Spaces** - A sack of bulbs for planting has been shared between the Cragg Vale schools, with a few remaining to be planted in local open spaces. Plans are in hand for 'weed-killing' (HimalayanBalsam) next May and 'Feed the Birds' suggestions have been put forward

- **Park Project** - At last there will soon be visible proof of all the time and efforts spent in the planning stages of the 1<sup>st</sup> phase of improvements - A Dart Activity Centre is the piece of equipment chosen and, weather permitting, installation is set to begin in January. Meanwhile the possibilities and practicalities of a composting toilet (a top priority from one earlier consultation) are being looked into.
- **Cragg Vale Spa** - Leeds University students are to make a start at the Spa in the new year, undertaking a site investigation, clearance around the Spa and mapping of the area. A water sampling campaign is anticipated, with samples taken from the Spa from the surrounding springs, in order to establish if the chemical properties of the Spa water are in any way different to other spring waters and to identify if any of these chemicals are associated with the traditional restorative. An historical investigation of the Spa is also planned, to try trace its origins, pinpoint the era when it was at the height of popularity, determine the architectural form of the Spa at this time and establish the boundaries of its likely use. If you can help with any information, please email [cvca@jsd.me.uk](mailto:cvca@jsd.me.uk)
- **Cragg Vale Carbon Neutral Group** - has a vision to 'Make Cragg Vale Carbon Neutral' via supporting people in their own usage, to harness water power in the valley, and to have a 'flagship project'. The group is planning to have a big launch meeting in March. (contact Maggie at [maggie@maggiesmallwood.com](mailto:maggie@maggiesmallwood.com) ).

**Following the 178 to 1 vote of support** at the recent public meeting, **Kerbside** is continuing its campaign for recycling collection in Calderdale - which, as a social enterprise scheme, also assists disadvantaged unemployed people to progress into work. If you would like to help in any way (delivering leaflets, ideas for the campaign etc) please ring 881110, or express your views via email to Owen Williams, Calderdale's Chief Executive or Hazel Blears, Secretary of State for Communities and Local Government. **If you are supporting Kerbside please remember to use just the black box** for your recycling, as only Sita is allowed to take items from the green box. Collection dates for this area for 2009: **Dec 27<sup>th</sup> 08**, Jan 9<sup>th</sup> & 23<sup>rd</sup>, Feb 6<sup>th</sup> & 20<sup>th</sup>, Mar 6<sup>th</sup> & 20<sup>th</sup>, April 3<sup>rd</sup> & 17<sup>th</sup>, May 1<sup>st</sup>, 15<sup>th</sup> & 29<sup>th</sup>.
